SHADE

Manufactured in a tiny factory in the jungles of northern Thailand, **The Sacred Space's** outdoor umbrellas (\$87-\$190)—seen here at half-mast with a light fixture attached to illuminate your garden or poolside—are made of waterproof canvas with a bamboo frame and pole. Available in oxide yellow, tangerine, lime green, natural and white, the custom-made umbrellas come in a variety of sizes that run 50 to 100 inches. -k.w.
